Being at summer camp is like being with all your best friends on a really cool holiday! I love all the activities I get to do, there's swimming, canoeing, rock climbing and archery, but my favourite activity is music! When I play an instrument or sing a song with my friends it's like there is no one else in the world but us and we are making music, together! Now that is cool!

### **Reading 2**

When I grow up I want to be... a rock star! And I don't mean a rock star that wears outrageous clothing or smashes their guitar mid performance. I want people to recognize me for my music, this is what I want to do with my life! Music is in my soul! Just picture it, the spotlight on me and a crowd of thousands who came to see me play my music! That would be totally awesome!

### **Reading 3**

My mum says I can be whatever I want to be when I grow older. Now I've had a long hard think about it and I've decided I want to be (pause) wait for it... a drummer! When I pick up my drum sticks and start to play I feel so alive and free! I control the beat! Boom boom boom it's amazing what I can do with these two crazy sticks!!
