

## **Mitchie and Shane reading**

Mitchie : Hey (runs over to him)

Shane: Hey, Surprise !

Mitchie: (giggles) I didn't know if you were coming this summer

Shane: Well, lucky for you I'm here for the whole summer

Mitchie: The whole summer? (hugs Shane) This is amazing! (Mitchie looks around and notices that everyone is looking at them ) uh, maybe you should say something?

Shane : (Looks around at the campers) Hey guys. I'm Shane and this is Jason and Nate, better known as connect 3 (motioning to his brothers) You know it's going to be hard but treat us like campers. Wow I guess that wasn't hard.

(Shane turns to Mitchie and gives her a smile, she giggles)

Mitchie: Did you notice the new camp across the lake?

Shane: Yeah, My Uncle says its being run by Axel Turner

Mitchie: Axel Turner? The guy who owns Star Records?

Shane: That's him, and my Uncles worst enemy. We have lost at least half the campers this year to his camp, Camp Star!

Mitchie: This is terrible!

Shane: Don't worry Mitchie, as long as we have the gang together we will have fun

Mitchie: I suppose you're right. I wrote a new song, wanna hear it?

Shane: You bet!
