

Reading Mitchie and Caitlyn

Mitchie: (Screams.) Caitlyn.

Caitlyn: Aah. Mitchie. (Both runs to each other.)

Mitchie: Hi Caitlyn.

Caitlyn: How are you?

Mitchie: I'm great.

Caitlyn: Let me take it for you. (Grabbing her guitar.)

Mitchie: Thank you. I was so afraid we wouldn't get here in time, but it doesn't look like too many people got here yet.

Caitlyn: Well do you know what this means? Since we are the first ones here we totally get our first choice off beds!

Mitchie: You want the top bunk again?

Caitlyn: I had it last year, you can have it this time.

Mitchie: Score!

Caitlyn: so (pause) I want to hear about everything!

Mitchie: I don't know what you mean.

Caitlyn: What's going on with you and Shane?

Mitchie: Nothing is going on.

Caitlyn: That's a total lie.

Mitchie: (laughs.) No seriously. I don't know I just, I feel like if we don't spend too much time together then nothing ever gonna happen.

Caitlyn: Don't worry Mitchie, we will have fun this summer! And don't forget you always got me to sing with.

Mitchie: I'm going to hold you to that.
